President's Message

Welcome Members,

We just had the Region 2 Refresher in College Station last week. The conference offered many different breakout sessions, networking opportunities and is always entertaining. I hope those that attended enjoyed the conference and were able to expand their knowledge.

Chapter 74 and 39 are putting the finishing touches on the Eminent Domain seminar scheduled for Friday, September, 5th. Presentations will include the Supreme Court Update, Right of Entry and Access and MAP 21. I hope to see you at the San Marcos Activity center in September.

We have an education opportunity coming up. Randy Ward, J.D. will be facilitating IRWA Course 803, Eminent Domain Law Basics for ROW Professionals on September 18th and 19th at the HDR office at 7745 Chevy Chase Drive, Building 5.

Also, last month in the newsletter, I mentioned a new committee. During our recent Board meeting the Survey and Engineer committee was approved. This committee will be recognizing an important part of our industry. The appropriate and proper survey of real estate parcels is so important to our success in the right of way acquisition business. Our industry spends many millions of dollars and lots of time obtaining and reviewing survey documents. Every transaction demands a quality product from our surveyors. Each survey is based on the appropriate level of engineering for the particular project.

This new committee will provide an opportunity for us to interact, network and get to know new contacts and partners in this segment of the industry. I am asking each of you to contact the survey firms or engineering companies that you work with and please invite them to get involved with the IRWA. Our Chapter has a lot to offer the companies. We would like to share our education, networking, leadership management and as well as provide an opportunity for new business connections.

Our Chapter's Survey and Engineering committee is being chaired by Jesse Cooper and Harsh Doshy.

I would also like to report on the IRWA conference in Hartford. The seminar went well and was very well attended with over 1,000 attendees. The message and the breakout sessions were done very well and I think everyone enjoyed the City of Hartford, CT. Of particular interest was the Keynote speaker, Steve Uzzell, an ex-photographer for National Geographic. His message was all about focus and perspective. By changing your perspective, sometimes you get a much better focus on the problem or issue.

Please help us grow our Chapter. I am asking each Chapter member who reads this newsletter to think of someone in the work circle who might benefit from our Chapter's activities or the IRWA education. Please invite them to our monthly lunch, but more importantly, please contact me at 512-531-5904 or contact Wade McNeil at 512-459-3440 and we would be happy to contact the prospective member and provide information on joining our Chapter.

As always, I wish you well in the coming month. Please have a safe summer and safe travels.

Sincerely,

Chapter 74 - President

TWIN RIVERS GOLF TOURNAMENT SEPTEMBER 4, 2014

1:30PM

ONION CREEK COUNTRY CLUB

MEET
OSWALDO

LAST
YEAR'S
RECIPIENT

It was an unforgettable day that we will keep with us that we will remember for the rest of our lives. The day before, my son Oswaldo could not sleep because of his excitement. The day of his wish he was already awake very early, waiting for it to be 9:00 AM (pick-up time). When the limousine came for us, he was the first to get in. The first store that we visited was Walmart. The welcome that they gave us was a true surprise. There were several employees from the store that were waiting for us with a welcome banner, a shopping cart that they decorated, and a gift for Oswaldo and a cake. Some employees from the store accompanied us so that [Oswaldo] could pick out what he wanted. They saw us off with a huge round of applause. From there we visited Toys R Us. They also welcomed us very well and with several balloons and a giraffe [Jeffrey] accompanied my son while he was shopping. They were waiting for us at the exit with lots of bubbles. We went to eat at a bbq restaurant [Smokey Mo's]. The manager gave him a shirt, a hat, and we had a great time. Next we visited two more stores Disney Store and GameStop. We returned home close to 3:00 PM very tired but very happy.
